## Annual Report of E-governance committee

Annual Report of the E-Governance Committee 2022-23 ensures effectiveness and efficiency in administration. There is a committee for E-governance. Management system powered by SSSMSM Tasgaon has fully made functional during the present academic year which is very beneficial to the students owing to ease of use and total transparency in admission and teaching learning process. The teachers were able to use the LMS (Google classroom) to systematize and better organize their class work. Digital Library System: Teachers and students use biometric punching system for registering the attendance for the day. Vidyasagar Library Management System: Used for cross referencing, recording information on issue and return of books and cataloguing books.
